

MOTOR PUMP

MOTOR PUMP UNIT3" -10 Hp WITHFILTER

420/1000 LPM head35m

- 3"volumetric pump, self priming, with mechanical seals, internal by-pass valve,ball bearings
- 10hp diesel engine with starter 12V
- battery 12V
- gearbox 1:5,33
- centrifugal joint
- shaft protection
- counterflanges3"
- "T"filter in the pump inlet assembled on the base support

(cod.10562458F)

**MOTOR PUMP UNIT 2,5 - 5 HP WITH FILTER
210/500 LPM head30m**

- 2 1/2" volumetric pump, self priming, with mechanical seals, internal by-pass valve, ball bearing 5hp diesel engine with starter 12V
- battery 12V
- gearbox 1:5,33
- centrifugal joint
- shaft protection
- counterflanges 2 1/2"
- "T" filter in the pump inlet
- assembled on the base support

(cod.10562334F)
